Dear Monsieur Michel,  
at the request of the  
editor, I am sending you under  
separate cover a copy of this month's  
issue of "Antiquarian Horology", in  
which appears Mr. Clutton's translation  
of your article "Some New  
Documents in the history of  
horology".

The editor also asks me  
to apologise to you for the  
anglicised spelling of your

Christian name.

I am personally very glad indeed  
that your most interesting discovery  
is now available in English  
to all members of the Antiquarian  
Horological Society.

Yours sincerely,

F. B. Ward

Dear Dr. Ward,

Many thanks for the copy of Antiquarian Horology and will you please congratulate Mr. Cecil Clutton for his very good translation. I am glad that my article has been published in English, as this publication may help somebody to make some new discoveries in the history of horology. If you happen to hear about any miniatures in other manuscripts, I should like to be informed.

yours very truly

H. MICHEL
